DRY MOLY

- INDUSTRIAL COLLOIDAL MOLYBDENUM DISULFIDE
- WITHSTANDS HEAVY PRESSURES AND HIGH TEMPERATURES
- MINIMIZES METAL-TO-METAL CONTACT
- OUTLASTS GRAPHITE
- NON-GREASY

Danger:

Flammable aerosol.

Contains gas under pressure; may explode if heated.

Causes skin irritation. Causes serious eye damage.

May cause drowsiness or dizziness.

May cause cancer.

KEEP OUT OF REACH OF CHILDREN

See Back Panel for Additional Precautions

NET WT. 1 lb 2 oz (18 oz) (510 g)

Zep® Dry Moly is an excellent dry film lubricant that applies easily and adheres well to clean surfaces, producing superior, long-lasting lubrication. Provides effective lubrication at temperatures up to 750°F and pressure loads greater than 20,000 psi. Ends sticking problems and preserves friction points. Withstands oils, alkalis, and most acids. Will not attract dust, and prolongs life of bearings, cams and gears.

LUBRICATES: Mining and construction machinery, automotive engines and bearing surfaces, printing presses, vending machines, pump assemblies, high-speed gears and chains, machine tools, timing devices, business machines, conveyors, tumbler locks, parking meters, wire drawing and any metal surfaces. Also facilitates disassembly. The solvents in this product may damage some plastics. Avoid contact or pretest in an inconspicuous area prior to general use.

DIRECTIONS:

For best results, apply to clean, dry surfaces at room temperature. Shake until marble rattles freely. Continue shaking for at least 30 seconds. Hold container 6 to 8 inches from surface and spray a thin, even film. Avoid a thick film as it decreases efficiency. Allow to dry thoroughly. Clear nozzle by inverting can and spraying a few short bursts.

BEFORE USING THIS PRODUCT, PLEASE READ THIS ENTIRE LABEL.
FOR ADDITIONAL INFORMATION REFERENCE THE PRODUCT SAFETY DATA SHEET (SDS).

Danger:

Flammable aerosol. Contains gas under pressure; may explode if heated. Causes skin irritation. Causes serious eye irritation. May cause drowsiness or dizziness. May cause cancer. **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.
